California State Law

All vehicles are required by **state law** to have a junk slip. The junk slip must be the name of registered owner and accompanied by a valid photo ID that matches the DMV paperwork.

Alco Iron & Metal cannot accept vehicles without proper DMV junk slip per California State Law

DMV Checklist to Junk a Vehicle

Individual vehicle owners who are not licensed as a dismantler can junk and/or dismantle their vehicle by presenting the vehicle documents to the Department of Motor Vehicles. The requirements are:

- The California Certificate of Title. The title must be endorsed for transfer of ownership if the vehicle is not registered in your name.

-The license plates on the vehicle

-Fees are due if the vehicle record does not indicated the vehicle is currently registered or has a planned non-operation status.
